HOW WE WORK

Step 1

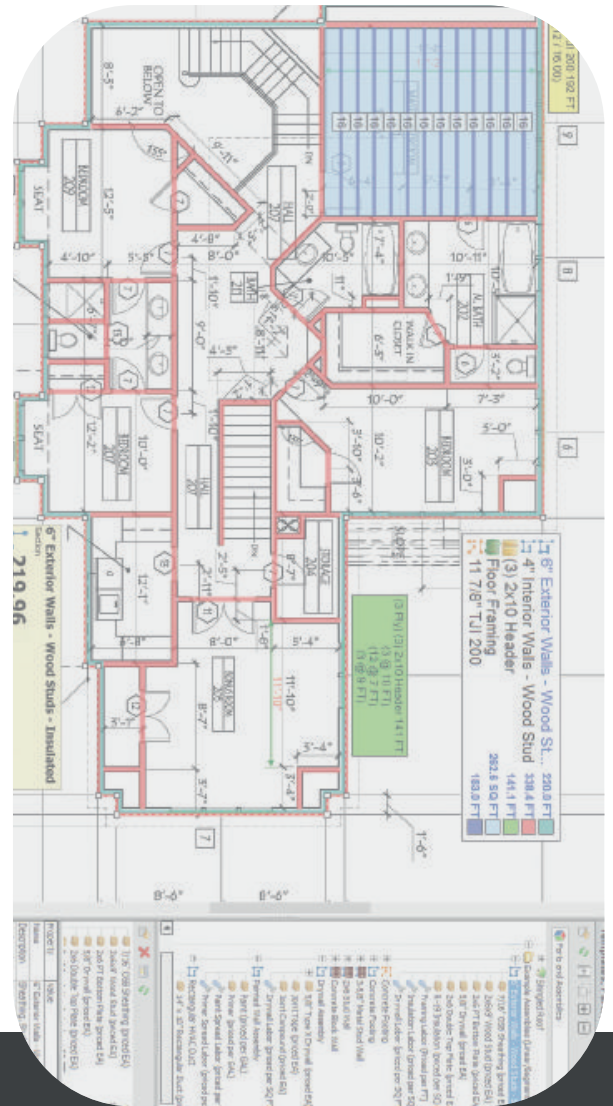

Export your digital plans using Dropbox or send a direct email.

Step 2

Request materials to be considered, amount of detail, and due date.

Step 3

Receive your completed report via Dropbox or direct email.

At GEM Takeoffs we do not request advance payments.

HOW WE DELIVER

With each takeoff you get three documents to support our findings.

OST FILE

On Screen Takeoff.

EXCEL FILE

Spreadsheets separating ceiling and walls by floor level, area and/or unit.

PDF FILE

Summary of takeoff, including details and screenshots of OST File.

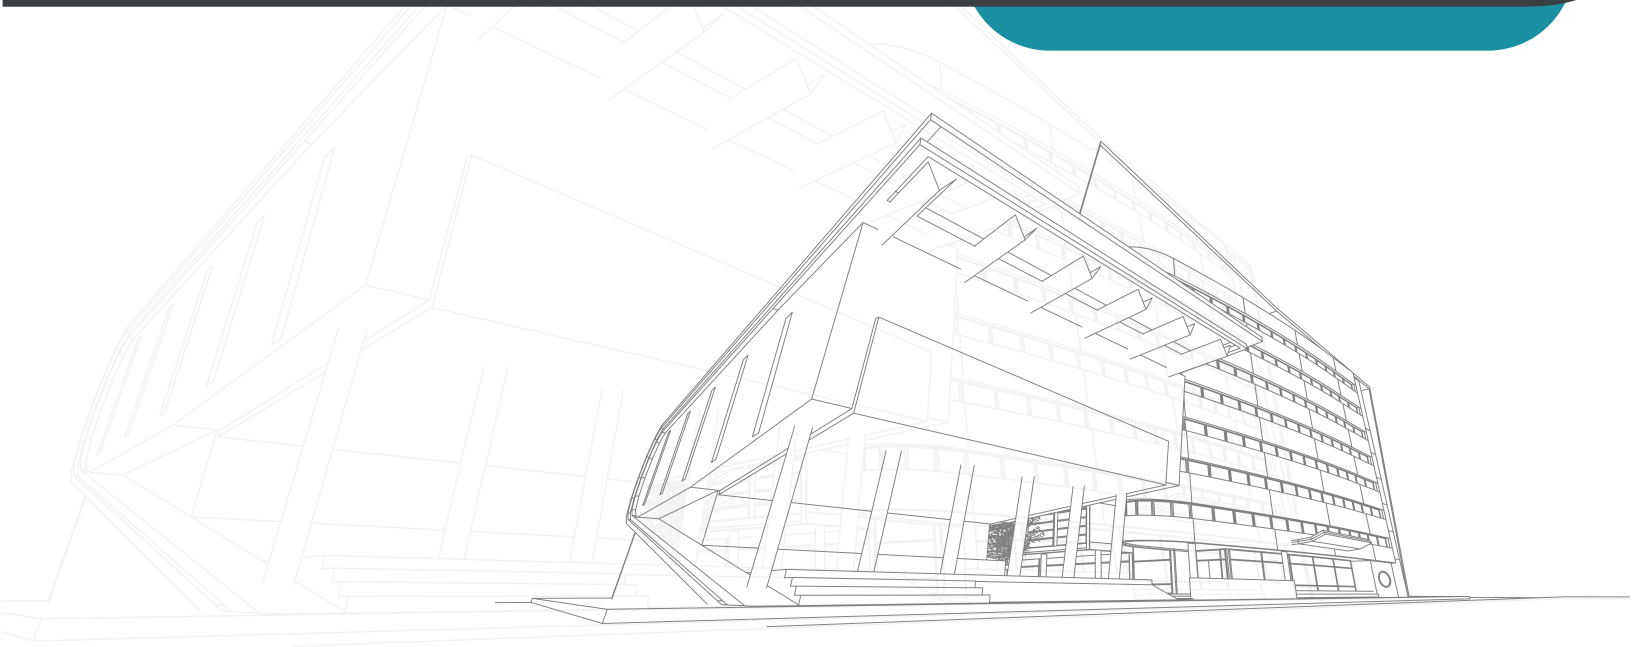

THE QUICKEST TURN AROUND ON THE MARKET

We understand the urgency of meeting deadlines in construction takeoff projects.

You always know when our reports come in with the final numbers, because this delivery date is set from the beginning.

Our team works around the clock to convene to your needs. *Your priority is our priority.*

At GEM Takeoffs we do not charge for extra hours.
